

School District No. 67 (Okanagan Skaha) INTERNATIONAL STUDENT PROGRAM

Student Activity Opportunities

Getting involved in school sports and activities is a great way to enhance the overall educational experience for International Students. These activities and opportunities are open to all students including International students at Penticton Secondary School.

Activities offered varies from school to school. There are similar, but not identical opportunities offered at both Princess Margaret (Maggie) and Summerland Secondary Schools and the three Middle Schools. There is no charge for participating in Special Events, Special Classes and Programs, Groups, Clubs and Intramurals. There are additional fees charged for participating in travel, academies or a school teams.

There are also a multitude of community based opportunities in Penticton and Summerland including special events, clubs, sports, fine arts and volunteering!
